MEMORANDUM FOR: Chief, Security Staff, Office of Logistics
Chief, Security Staff, Office of Development
and Engineering

25X1 FROM: [REDACTED]
Chief, Industrial Security Branch

SUBJECT: Industrial Facility Security Audits (U)

1. Attached is a listing of industrial facility security audits for which our records contain either no response to the audit report, or interim reports with one or more actions still pending. (U)

2. It is requested that you review your records of each of the audits listed to determine what, if any, actions were taken to implement the audit recommendations, and that you notify this office so that our files can be appropriately documented. If you have already responded to the audit report, please provide the date and control number (if applicable) of your response. (U)

3. Please contact [REDACTED] if there are any questions regarding the above. (U)
